We move beyond traditional corporate gifting to create meaningful brand moments that leave lasting impressions. Naqsh provides gifting that reflects your values, expectations, and brand standards - delivered through four core promises.

Purpose-driven sourcing with thoughtfully curated alternatives to boycotted products.

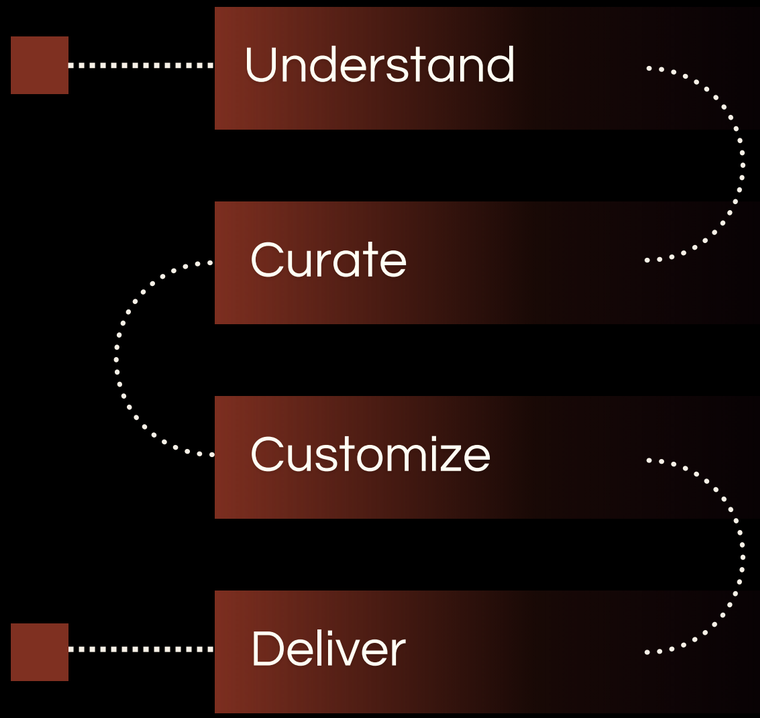

Built by corporate professionals who understand business requirements, brand standards, and what recipients value.

Premium products, exceptional presentation, and uncompromising attention to detail.

End-to-end gifting solutions, from idea to doorstep, tailored to every occasion.

OUR APPROACH

We begin by understanding the occasion, audience, brand, and budget. We then curate the right products, customize the experience, manage the details, and deliver a polished solution from concept to doorstep.
